Furthermore, there has been a significant decline in the spread of pandemic. Considering the improved situation, the steps initiated by the management, the support provided by the lender, expected conclusion of ongoing negotiations with the lenders for revival/ settlement plan, and the infusion of funds by the promoters, the management is of the view that the operations of the company shall continue in near foreseeable future with improved operational efficiency. To  
Board of Directors  
Tasty Dairy Specialities Ltd.

1. We have reviewed the unaudited standalone financial results of Tasty Dairy Specialities ("the company") for the quarter ended 31<sup>st</sup> December, 2024 which is included in the accompanying statement of standalone unaudited financial results for the quarter ended 31<sup>st</sup> December, 2024 ("the statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 (the Listing Regulation 2015) as amended to date, which has been initiated by us for identification purposes.
2. The statement which is the responsibility of the company's management and approved by the Company's Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34) prescribed under the section 133 of the Companies Act 2013 as amended, read with the relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the based on our review.
3. We have conducted our review in accordance with the standard on Review Engagement (SE) 2410, "Review of Interim Financial Information performed by the independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

### Basis of Qualified Conclusion

4. As discussed in Note 2, the Company's financing arrangements, including restructuring plans, have failed, and the outstanding amounts are overdue for payment. The lenders have initiated recovery proceedings against the company under the provisions of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act) by moving to the National Company Law Tribunal (NCLT) and the Debt Recovery Tribunal (DRT). The Company has been unable to finalize renegotiations or secure alternative funding. The management of the company is actively engaged with the lenders to develop a revival/ settlement plan.
5. As discussed in Note 3 all the company's bank accounts have been frozen by the banks. This action has severely restricted the company's ability to carry out normal banking transactions, impacting its liquidity position and day-to-day operations. The company is routing all its banking transactions through third parties (including Related parties).
6. As discussed in Note 5, the Banks have credited an amount of ₹980.74 lakhs as proceeds from recovery proceedings conducted under the SARFAESI Act. The Company has filed a securitization

application under Section 17 of the SARFAESI Act before the Debts Recovery Tribunal (DRT), Allahabad, which is currently pending adjudication. The credited amount pertains to the disposal of the Company's non-core assets valued at ₹278.12 lakhs, which has been included in the financial statements.

In the absence of a final adjudication by the Debts Recovery Tribunal, there exists uncertainty regarding the appropriateness of the recognition and presentation of the credited amount in the financial statements. Accordingly, we are unable to determine the possible impact, if any, on the financial position of the Company.

#### **Material Uncertainty related to Going Concern**

7. As stated in Note 4, the net worth of the Company has become negative due to these actions, and the management has prepared the financial statements on a going concern basis. The events or situations, along with other matters set forth in Notes 2 to 4, indicate the existence of a material uncertainty that cast significant doubt on the Company's ability to continue as a going concern. The going concern depends upon sustainable turn around in the business operations and infusion of requisite funds in the company.
8. Based on our review conducted as above, and except for the matter referred to in paragraph 4 & 5 above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.
