The Statement has been prepared by the Company pursuant to Regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 (the Listing Regulation 2015) as amended to date, which has been initiated by us for identification purposes.
2. The statement, which is the responsibility of the company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" (Ind AS 34) prescribed under Section 133 of the Companies Act, 2013 as amended, read with the relevant rules issued there under and other accounting principles generally accepted in India. 3. We have conducted our review in accordance with the standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. Notes

1. The above standalone financial results were reviewed by the Audit Committee and approved by the Board of Directors in their respective meetings held on 14th February, 2023 and statutory auditors have carried out a review of these financial results.
2. The company is engaged in the business of procurement and processing of milk and manufacturing and sale of Ghee, Butter, Milk Powder, packaged milk and other milk products. These are edible items for human consumption and have limited shelf life and are perishable in nature. As stated in the Audited Balance Sheet of March 31st, 2022, the company has been victim of a series of extraneous circumstances due to COVID-19; such as low demand on account of elongated lock downs in 2020 and 2021, piling of inventory resulting into expiry of shelf life of the products, downward correction in the inventory prices, delay in realization of debtors. These factors have adversely impacted its cash flows and repayment capacity of the Company resultant the Company could not service its debt on time and the accounts with the bank were classified as sub standard by the bank. These events which were entirely beyond the control of the management have had material and adverse impact on the operations and prospects of the company.
Recognizing the issues at hand, the company and its management have engaged with the lenders for restructuring of their dues and proposal for the same have been approved by the lenders and effect of restructuring proposal have been incorporated in the Financial Statements.
3. Exceptional items of Rs. 582.45 lacs represents remission of loan liability by a lender accounted for as per Ind AS 109. Lender has restructured all the loans and interest due as on 31.10.2021 and implemented the restructuring during the quarter ended December 2022.
4. The management has planned to implement various cost saving measures with improved operational efficiency of the plant and is in process of mobilizing resources to continue the manufacturing operations of the company. Further, there has been significant decline in the spread of pandemic. Considering the improved situation and steps initiated by the management and restructuring of loans by the lender, the management is of the view that the operations of the company shall continue in near foreseeable future with improved operational efficiency and therefore these financial statements are continued to be presented on going concern basis.
5. The Company has only one business segment i.e. Dairy products, hence segment reporting as per Ind AS 108 is not Applicable.
6. The figures for the current quarter ended 31st December, 2022 and quarter ended 31st December, 2021 are the balancing figures between the published year to date figures in respect of period ended 31st December, 2022 and 31st December, 2021 respectively and published figures upto the quarter ended 30th September 2022 and 30th September 2021 respectively which were subjected to limited review
